SCOOPE THE CUB REPORTER

A Little Sport; A Little Gossip

FREDDIE WELSH, lightweight champion of England, has been matched with **Johnnie Lore**, the hard hitting east side lightweight, at the Nicholas Athletic club on April 22. The match ought to give Welsh the tryout, which he has been asking for, and will prove if he is of championship caliber.

Gunboat Smith, who recently knocked out **Fred McKay** the Canadian fighter, may be matched with **Johnnie Lore**. The fighters are matched the bout will come off in California the latter part of next month.

Nearly all of the box seats have been sold for the game on "Frank Chance" at the White Sox park in Chicago. The demand is steadily increasing, and promises to be the greatest advance sale on record at the park.

The officers of the American Olympic games in Chicago are planning to erect a permanent stadium, patterned after the one at Stockholm, this summer, at a cost of \$250,000. The profits of the game on June 28 to July 6, will be the nucleus of the building fund.

One of the beauties of the resumption of baseball is that it keeps base-ball players from perpetrating themselves on the stage.

Some men deliberately break into the In Bad Club. For instance, there is **Jess Willard**, who threatens to hire Tom Jones.

Jimmy Callahan's offer of \$15,000 for a clean-up hitter fell among rocks and thistles, so to speak, but it

was a great little offer just the same. The gist of **Frank Chance's** dope on the National league race is that he is not madly in love with **C. Webb Murphy**.

"Nope; you don't catch **Brother Ad** using me as his punching bag for practice work," declares **Lewis Wolcott**, the erstwhile champion's brother. "And for fighting, I'll take railroading every time."

The report that **Tommy Caponi** won another fight leads one to suspect that some one has shoved a passage from ancient history into the sport page.

Pitcher Davenport of San Antonio is heralding the tall map in baseball. He stands 6 feet 7 1/2 inches.

PHOENIX Y. M. C. A. CONDUCTS THREE FAST BOXING BOUTS.

Following the bouts the winners were presented with gold and the second place with silver medals. About 500 persons witnessed the contests.

STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapepsin" Makes Upset Stomachs Feel Fine in Five Minutes

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of **Pape's Diapepsin** costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. **Diapepsin** is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many **Diapepsin** cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.—Advertisement.
